

Safeguarding and Welfare Requirement: Staff qualifications, training, support and skills

At least one person who has a current paediatric first aid certificate is on the premises at all times when children are present, and must accompany children on outings.

Health – accident or injury

The provider must ensure there is a first aid box accessible at all times with appropriate content for children. Providers must keep a written record of accidents and injuries and first aid treatment.

3.2 First aid

Policy statement

In our setting staff are able to take action to apply first aid treatment in the event of an accident involving a child or adult. At least one member of staff with current first aid training is on the premises or on an outing at any one time. Newly qualified staff who achieved an early years qualification at level 2 or 3 on or after 30 June 2016 also have a paediatric first aid certificate in order to be counted in the adult:child ratios. The first aid qualification includes first aid training for infants and young children. We have evidence of due diligence when choosing first aid training and ensure that it is relevant to staff caring for young children.

Procedures

The first aid kit

Our first aid kit is accessible at all times, complies with the Health and Safety (First Aid) Regulations 1981 and contains the following items:

- Triangular bandages (ideally at least one should be sterile) x 3.
- Sterile dressings:
 - Small (formerly Medium No 8) x 5.
 - Medium (formerly Large No 9) – HSE 1 x 5.
- Composite pack containing 20 assorted (individually-wrapped) plasters x 1.
- Sterile eye pads (with bandage or attachment) eg No 16 dressing x 2.
- Container of 6 safety pins x 1.
- Guidance card as recommended by HSE x 1.

In addition to the first aid equipment, each box should be supplied with:

- 2 pairs of disposable plastic (PVC or vinyl) gloves.
- 1 plastic disposable apron.
- A children's thermometer.

- The first aid box is easily accessible to adults and is kept out of the reach of children.
- No un-prescribed medication is given to children, parents or staff.

- At the time of admission to the setting, parents' written permission for emergency medical advice or treatment is sought. Parents sign and date their written approval.
- Parents sign a consent form at registration allowing staff to take their child to the nearest Accident and Emergency unit to be examined, treated or admitted as necessary on the understanding that parents have been informed and are on their way to the hospital.

Legal framework

- Health and Safety (First Aid) Regulations (1981)
