

Parent committee

VOLUNTEER

Without a parent committee, Rainbow Pre-School cannot remain open, and we need more volunteers to join our team! Our main role is to organise the fundraising for our charity-based pre-school. Please speak to our Chairperson, Sally, or Auntie Donna if you would like to know more.

I first became involved with the committee in September 2018. The events we run are not only enjoyable and a chance to get together with other local families, but also vital to the operation of the pre-school. The work we do is fun and mostly done as part of a group of friends enjoying a cuppa and a chat whilst we complete a task.

Sally - Committee Chairperson

I'm Michelle, a devoted mother to my beautiful daughter. When we are not embarking on exciting adventures together, I have a passion for reading, baking and traveling. I have been a member of the Rainbow Committee since 2021 and love being part of something that has helped mine and so many other children grow and flourish.

Michelle - Committee Treasurer

I joined the committee in September 2021. I've met so many lovely people so far who are willing to give their time to help fundraise for the pre-school. Both of my daughters have attended Rainbow and we've enjoyed so many of their events over the years. I was keen to get more involved since my youngest started, and I'm so glad I did. It's exciting to know we can make a huge difference to the pre-school and that I'm helping to get new resources for our little ones at Rainbow.

Katie - Committee Secretary
